1. **Minutes of the Previous Meeting:** The minutes were agreed as a true record.
2. **Matters arising from these minutes:** None.
3. **Chairman's Report:**
 - a) **Roof Leaks:** Unfortunately, leaks still happened on certain days, but Bryan assured the Committee that the problem would be dealt with.
 - b) **Application to Woodbridge Community Council:** Bryan informed the meeting that the Club's application for a total sum of £4,480 towards refurbishment projects had been unsuccessful.
 - c) **Woodbridge Art Club's Website:** Heather Johnson announced that her brother was unable to undertake the redesigning of the Club's Website. Bryan stated that he would continue exploring the subject. Schools and/or colleges might be able to help.
 - d) **Exhibition Opening Times:** Bryan stressed that the problem of certain members not carrying out their rota duties had been a big concern during the summer months. Because an alternative of shortening the opening hours might not solve this problem, it was decided to keep the hours as they are. The book of rota duties would continue being circulated on Wednesday evenings and on hand-in and changeover paintings evenings.
 - e) **New Labels:** Bryan tabled a new label, slightly smaller than the one in use, but easy to peel off. He had ordered 1000, and it was decided to charge members 20p
