

## JULY CLUB NEWS

Firstly, a big thank you to Naomi Drown for all the work she has done for us over the time she has been a member and latterly as Secretary. She has decided to resign from the committee owing to her commitments at work. **If there is anyone out there who feels they would like to be more involved with the club and take over from Naomi or be a member of the committee please contact me, we need you!**

The Regatta on the 23rd was very successful both outside and in the gallery. Once again, I must thank the many helpers and Bernie, in particular, for all their hard work.

No-one knows how long the painted banners are, so we will be having a competition to guess the length and I will supply a prize.

A date for your diary is Sunday 11th August when we will be holding an “**Artyjumble**” outside the front and in the studio. This will be organised by Shona and once again we need volunteers to man it. Please collect all your unwanted equipment etc anything to do with art and keep them in a box until Shona says “bring them in”. Storage may be a problem so watch this space or contact Shona [smh20@myphone.coop](mailto:smh20@myphone.coop)

Hopefully internet banking will be in place by the next payout. You will need to give Mary your details [posthaste 2010@hotmail.co.uk](mailto:posthaste2010@hotmail.co.uk) when required – this will make admin and payments much easier and cheaper too.

**Design a New Poster for the Club** – this is a chance to show off your design skills. We need an updated poster as we now have a new name and web site. The title will now be **Painting, Pottery Lace and Photography** and it ideally needs to include:

- the website [woodbridgeartclub.org.uk](http://woodbridgeartclub.org.uk),
- icons to show that we have Facebook and Instagram pages
- wording to say that “*New Members are Welcome*”
- our address – 15 Tide Mill Way, Woodbridge, IP12 1BY.
- It needs to be bold, uncluttered and stand out from everyone else’s.
- Bright colours on a white background and black but not too much red. If there is room the Logo would be good too.

Please have a go and send your masterpiece as soon as you can to one of the committee members. Sadly, there's no prize, just the satisfaction of seeing it out and about.

Don't forget changeover day on the 24th July and Christine Lester demonstrating "painting a beach scene" this Wednesday 10<sup>th</sup> July.

Finally, there are still a few spaces in the rota so maybe you can have a look in your diaries.

See you on Wednesday down by the river.

Rosemary
